# Beaches Of Kauai And Niihau (Kolowalu Books (Paperback))

## Synopsis

Kauai has more sand beaches per mile of shoreline than any other island in Hawaii. Its spectacular shoreline ranges from cliffs of bird sanctuaries to a fishpond in a volcanic crater to the traditional swimming, snorkeling, surfing, and beachcombing beaches. Although the owners of Nihoa discourage visitors, author John Clark includes fascinating sketches of the island to complete his inventory of Hawaii's beaches. The Beaches series by John R. K. Clark include Beaches of Maui County, Beaches of the Big Island, Beaches of Kauai and Nihoa, and The Beaches of Oahu. The author, an ocean recreation consultant, includes comprehensive site descriptions of hundreds of beaches in the Hawaiian Islands and shares his extensive knowledge of, and deep respect for, Hawaii's shorelines.

## Customer Reviews

John R. K. Clark, a former lifeguard and retired deputy fire chief of the Honolulu Fire Department, is the author of numerous books on Hawaii's beaches and shoreline history, including North Shore Place Names: Kahuku to Kaena, Hawaiian Surfing: Traditions from the Past, Hawaii Place Names: Shores, Beaches, and Surf Sites, Guardian of the Sea: Jizo in Hawaii, and his bestselling series on Hawaii's beaches.

This book goes beyond the travel standard of "What is there" and gives you an idea of the various

safety issues on Kauai beaches as well as giving you an historical perspective of what has happened on or near those beaches in the last few hundred years. It's a good resource for those of us who would like to know things beyond the visible when we travel. I rate it as one of a kind.

Thus book was a labor of love. With years of experience as a lifeguard and surfer, John's curiosity went beyond. He studied oceanography, read all he could, and interviewed all those who knew anything about each beach. The result is the best source of information that will ever be available about Hawaiian beaches.

Interesting info, pictures average!

THE GREATNESS OF KAUAI'S BEACHES.
