Product Dimensions: 0.8 x 8.5 x 10.8 inches

Shipping Weight: 3 pounds

Average Customer Review: 2.4 out of 5 stars 2 customer reviews

Best Sellers Rank: #2,472,686 in Books (See Top 100 in Books) #102 in Books > Teens >

Education & Reference > History > United States > State & Local

Customer Reviews

I ordered this to help get my son caught up on his Alabama history. He did not get the things he was suppose to learn, according to the our state curriculum done in school because of test prep for state ordered testing. I think it's awful that I now have to spend time on his breaks going through the things he should have gotten at school, but didn't because of the intense pressure our state (and every one in the U.S. just about) puts on schools to "perform" on these tests. So instead of my son learning the state required history for fourth and fifth grades, he did worksheet after worksheet to "prepare" him for the standardized tests. On a positive: the book was in great condition, is the exact one we needed, and a lot cheaper then anywhere else that I found. It arrived quick and on time.

Why am I not surprised that an Alabama history book has an error in the title? IT'S a shame ITS editor was so careless.
