Very pleased with my purchase. Hardest part was going with the Kindle version. Finally have some Diehl and Morton for on the go.

Another great book . The pictures are wonderful

Love these two quilters. The pattern for the quilts are wonderful. You won't be disappointed

Beautiful quilt patterns with very good instructions.

Great pictures, complete easy to follow instructions. Inspirational, easy way to use your scraps. I wish some of the patterns were larger but each are easy to refigure for a different size.

Great instructions! Beautiful Pictures... I found a pattern that I had been looking for quite a while in this book; I had seen this quilt made up in a quilt shop while visiting out of town; and later regretted not purchasing the pattern or book. Kim Diehl is one of my favorite Quilt artist.

I always love the Kim Diehl books. This one doesn't disappoint. She and Jo Morton have put together a very fine collection of quilts.

Gorgeous book with many lovely quilts. My quilting bucket list just got bigger!!
