## Customer Reviews

Good but long

If you like pirate fact and fiction, this ebook bundle titled DEAD MEN TELL NO TALES: 60+ PIRATE NOVELS, etc., from e-artnow is certainly right up your alley. And you may be very tempted to download it. But before you do, be aware that this same publisher has issued another pirate bundle that is even larger than this one -- and that's the one you should get. This one, DEAD MEN TELL NO TALES: 60+ PIRATE NOVELS, etc., has 10,943 pages. The other one, PIRATE TALES: 80+ NOVELS, etc., has 15,506 pages. It contains virtually everything in this smaller set PLUS 4563 pages of additional nonfiction and a few more novels. (Carefully compare the title listings of both in the Kindle Store.) To me, it's a no-brainer to go for the larger set, which I would rate 5-stars; this is smaller, but still good, so it gets 4. (But why does this smaller set cost twice as much as the larger one?) I downloaded the larger set (which, like this one, is handsomely formatted and has active TOCs), and pleasantly discovered, among many familiar titles, more than a few that were "new" to me, and which I now eagerly look forward to reading. I think it likely that YOU, too, will be more apt to make similar discoveries in that larger set, which is why I recommend it instead of this one.
