- The inside story of that time they met One Direction.
- Excerpts from Phil's teenage diary.
- Reasons why Dan's a fail (so far).
- How to draw the perfect cat whiskers.
- Reasons why Phil was such a weird kid (back then).

DAN HOWELL (danisnotonfire) and PHIL LESTER (AmazingPhil) are YouTube vloggers/entertainers and roommates in London. Their quirky comedy videos about their lives and observations on the world have earned them a following of over 11 million subscribers across their channels and a show on BBC Radio 1. Now, in their debut book, they give readers an inside look at a world created by two awkward guys who share their lives on the Internet.

Dan and Phil put so much effort into this, and it really shows. Well done Dan and Phil, we love you.

kms that was gold my MEME QUEENS ARE GROWING UP SO FAST

PLEASE NOTE: I did NOT buy the book directly from D&P. It looks used, because I BOUGHT it used. From what I've seen, the people who bought it directly from them have pristine, beautiful book covers, so don't be deterred by my cheapness! Worth the buy! I'm not much of a book buyer, mostly because it annoys me that the items just sits around forever once I'm done reading it and it's hard to "re-use" them when you've already gone through it all.. But this was great. It was fun, cute, included a lot I didn't know, and it's so diverse that I'm able to go back and re-read some things instead of letting it sit on the shelf and collect dust.

It's Dan and Phil... I mean... you can't really go wrong.

Started reading this master piece as soon as I got it from the mailman and could not stop. It's so fun, funny, nerdy, weird and just awesome..Just like Dan and Phil. After finishing the book (shortly after starting) I felt like I just had a look into the real lives of Dan and Phil, even more so than from watching them on YouTube. I feel like I actually 'know' them now.....Is that weird? I loved the stories, the pictures, the personal stuff, what happen in vegas (lmao) and everything. Fans of Dan and Phil, buy this book... I mean, why wouldn't you?! :D No spoilers. No one likes Spoilers.....Right Dan? ^_^

Honestly do i even need to write a review? ?? Just buy it, it's fire ã ã ã”p.s all of the picture are great fun :-))p.s doesnt it kind of look like justin bieber lol

I purchased this book for my 19 year old daughter and she loves it. When she opened the gift, she literally screamed and fell of her chair saying, "How did you know that I wanted this? I did not tell you" I pay attention! She would not put that book down after opening it. We were trying to get her to

eat and take pictures for her special day, and she forgot that we were even here. Her head was buried in that book. She read it several times and she still goes back to it. Wow! I did not expect that with this book. I have purchased a multitude of books for her, but there is something about this particular books that makes her blush. The packaging was on point.

If you are a fan of Dan and Phil you really should get this book!! I have laughed so much! These guys are a hoot, while reading the book I can see them interacting as they do on their Youtube channel. My daughter's (age 20 and 15) got me to start watching them...I am 54 years old and I am not ashamed to say I am a huge fan of Dan and Phil, they make me laugh!!
