Gilgamesh: The New Translation

Synopsis

The Epic of Gilgamesh is the oldest story that has come down to us through the ages of history. It predates the Bible, The Iliad and The Odyssey. The Epic of Gilgamesh relates the tale of the fifth king of the first dynasty of Uruk (in what is modern-day Iraq), who reigned for 126 years, according to the ancient Sumerian list of kings. Gilgamesh was first inscribed in cuneiform writing on clay tablets by an unknown author during the Sumerian era and has been described as one of the greatest works of literature in the recounting of mankind's unending quest for immortality.

ASIN: B00W36KEOG

Best Sellers Rank: #61 in Books > Literature & Fiction > Poetry > Regional & Cultural > Middle Eastern #64 in Books > Audible Audiobooks > Fiction & Literature > Poetry #265 in Books > Literature & Fiction > Poetry > Ancient, Classical & Medieval > Ancient & Classical

Customer Reviews

Gilgamesh; The New Translation. Is a great read for anyone interested in the beginnings of Western Civilization. The Epic of Gilgamesh was the first known book ever written, in cuneiform writing. It tells the tale from Genesis to after the Great Flood. The Bible, Torah, and Koran are all retellings of The Epic of Gilgamesh. If you want to understand the Biblical works of religion, Gilgamesh; The New translation is the book for you.

This was a good translation. I have a hard time critiquing something that is thousands of years old. It's obviously a timeless story.

OK old style stilted language.

It is a somewhat difficult read because of the sentence structure. Important to read the appendix and postscript for better clarification of the contents.

Very interesting. Some of the stories Seems a little far fetched.

Readable.

very good

Gives an entirely new meaning to the mythology of The Epic of Gilgamesh.
