GMAT Critical Reasoning (Manhattan Prep GMAT Strategy Guides)

Synopsis

Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The GMAT Critical Reasoning strategy guide demystifies critical reasoning by teaching a clear, consistent, and effective approach to understanding an argument's logic and choosing the best answer to the given question. Unlike other guides that attempt to convey everything in a single tome, the GMAT Critical Reasoning strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Critical Reasoning strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's Critical Reasoning Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition.

The Critical Reasoning Strategy Guide strengthens your logic skills for this tough GMAT question type through step-by-step instructions and clear explanations. Learn how to identify question types, simplify arguments, and eliminate wrong answers efficiently and confidently. Practice the logic skills tested by the GMAT and master proven methods for solving all Critical Reasoning problems. Gain extra experience online with access to practice exams, Question Banks, and Official Guide problem sets. Used by itself or with other Manhattan GMAT Strategy Guides, Critical Reasoning will help you develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT.

Good examples and detailed explanations. Cheat sheets are very helpful. Don't forget to try additional online questions to continue practicing.

This is a must have for anyone taking the GMAT. Really helpful! Plus you get access to 6 practice exams for free
Now I'm starting on their Critical Reasoning book

Describe how to go into solving the problems in detail. I significantly improved in this section.

Too slow to reveal the basic concepts I needed.

A Saturday afternoon with this book and you're done- easy to understand and good clear examples. Try not to do all examples.

No Code in the Book

Excellent book! I was really struggling with these critical reasoning questions on the first mock

GMAT I took, but after reading this book, I think I have a better grasp on them.

Good
