Legal Essentials Of Health Care Administration

Synopsis

Using the same approach, this text provides a distillation of the widely popular Legal Aspects of Health Care Administration. It presents an overview of health law topics in an interesting and understandable format, leading the reader through the complicated maze of the legal system. The topics presented in this book create a strong foundation in health law. This book is a sound reference for those who wish to become more informed about how the law, ethics, and health care intersect. Features: A historical perspective on the development of hospitals, illustrating both their progress and failures through the centuries. Actual court cases, state and federal statutes, and common-law principles are examined. A broad discussion of the legal system, including the sources of law and government organization. A basic review of tort law, criminal issues, contracts, civil procedure and trial practice, and a wide range of real life legal and ethical dilemmas that caregivers have faced as they wound their way through the courts. An overview of various ways to improve the quality and delivery of health care.

Customer Reviews

Purchased this book and it was sent damaged. It is too late to send back because I need it for a course. Really disappointed since their ratings were so high.

Most informative on legal aspects in healthcare

This book is very informative, exciting and memorable. The book is easy to understand, and the price affordable. I would recommend a friend to buy it.

It contains everything that an administrator needs to know. This book is a must have. I will recommend it to others because of its simplicity.

Needed this book for class. Was in very good condition very pleased with the condition of book and packaging. I don't know what else to write, these are just filler words for the review

This book was a requirement for one of my current graduate classes. Considering it's a textbook, it is well written, easy to follow, and very informative.

very good book, got it brand new for school and was able to sell it back at my school. arrives quick

It's has the info needed how ever the new edition has never info and activity sections so get the new edition
