# One April In Boston

## Synopsis

One April in Boston begins with the story of an American family who live in Colonial Boston in 1775. The family includes a 10-year-old boy named Ben Edwards. Ben dreams of becoming a mariner, just like his grandfather, an early Boston sea captain. He sets this goal for himself and never gives up on it. Throughout the story, Ben carries a spyglass that once belonged to his seafaring ancestor. He believes he can see the future through the lens. Some family members make fun of his claim, but not his cousin Betsey. She believes that Ben can truly see images of things to come through his spy glass. In *One April in Boston*, you'll experience the dangerous and exciting events that occurred in and around Boston just prior to the start of the American Revolution. You'll meet Ben's Uncle Alex, a cabinetmaker and member of the Sons of Liberty. You'll also meet his sister Sally and learn of her interest in a young man who is Paul Revere's oldest son. You'll discover what Ben sees through his spyglass and find whether he gets a chance to go to sea. *One April in Boston* teaches children a valuable lesson in life and patriotism.

## Book Information

Paperback: 126 pages

Publisher: Spyglass Books; illustrated edition edition (January 1, 2000)

Language: English

## Customer Reviews

Ben Edwards has made our nation's history very personal and he has connected his ancestry with noted historical figures. -- Jim Getty National Speaker and Lincoln Presenter A. Lincoln's Place Gettysburg, PA  
One April in Boston is a carefully crafted, meticulously researched, wonderfully illustrated, touching family history. -- Nina Zannieri Director Paul Revere Memorial Association  
This book is the greatest. What a way to present imagination to children ...to let their imaginations soar these days. -- Anna B. Bulger-MacDonald Reading Program Committee Rock Hill Elementary

School Wallingford, CT

Great book! Great story. I picked this up for my nephew. He promptly read this in two days. He passed it on to his friends and in only nine (9) days four of his friends read the book....that is amazing. They love the story, and the fact that it is based upon a true story. It really brings history to life! If you have a boy or girl that is 10 years old to 16 years old this is a must!! I have two grown kids and I loved this book. It is a must!
