Kristy Robinett began, at the age of 3, playing and communicating with spirits, labeled imaginary friends by her parents - and unacceptable. Today, Kristy is a world-renowned Psychic/Medium and author of Ghosts of Southeast Michigan and Higher Intuitions Oracle.

OK . good memory. the old one has been broke in my family , I absolutely love this product! I purchased this product along with a cutting board for a fruit platter that I needed to make for a party this past weekend. This product worked perfectly. It cut right threw the hard watermelon rind also cut the pineapple so perfectly. I am very pleased with the purchase! If your thinking about ordering this product you won't be disappointed. Thank you to the seller for a nice an smooth purchase! this price is valuable.

Having read another of Ms. Robinett's books I was a bit hesitant to read this one. I however was pleased to find that this book was much more entertaining and didn't rely completely on the authors purported psychic abilities. Overall this is a well written book.
