Hardcover: 144 pages

Publisher: DK CHILDREN; Nov Har/to edition (June 18, 2012)

Language: English

ISBN-10: 9780756692575

ISBN-13: 978-0756692575

ASIN: 0756692571

Product Dimensions: 7.4 x 1 x 9.4 inches

Shipping Weight: 1.4 pounds

Average Customer Review: 4.6 out of 5 stars 61 customer reviews

Best Sellers Rank: #495,712 in Books (See Top 100 in Books) #96 in Books > Crafts, Hobbies & Home > Antiques & Collectibles > Dolls, Toys & Figurines > Toys #106 in Books > Children's Books > Arts, Music & Photography > Performing Arts > Film #344 in Books > Engineering & Transportation > Engineering > Industrial, Manufacturing & Operational Systems > Manufacturing

Age Range: 6 - 14 years

Grade Level: 1 - 9

Customer Reviews

My children love the people you can build with Legos and are having a great time flipping through here and looking at the different Harry Potter characters. I was worried it might lead to a lot of requests to buy more, but so far they just flip through and read about them and find the few that we have.

My granddaughter is a big fan of Harry Potter (she became Hermione for Halloween!) and has been collecting the Harry Potter LEGO kits. She and her dad immediately started looking through this book to see the different options.

The book is colorful and has wonderful photos plus a Harry Potter Lego! I was disappointed that the book had a broken spot on the spine, though

My sons love reading and looking at the pictures in this book. They periodically go back to this book to look at the pictures or read the text. It's a book that doesn't collect dust on the shelf.

I was excited about this book because my son LOVED the Ninjago book that LEGO makes. Unfortunately, the Harry Potter book didn't live up to the expectations. Instead of fun details about Harry, Ron, Hermione and the crew, all the wording focuses on what color shirt the figurine wears. Huh? There is so much rich story-telling in HP's world that is totally left out. It was as though the person who wrote the LEGO book never read Rowling's series. This was a disappointment.

My 9 year old son loves HP and this book like most lego books made him very happy. He earned this book by being kind to his sisters so it was extra special. He enjoys looking at the wonderful pictures of his favorite characters. Lego always does a wonderful job and my son compares the characters in the book with his video game and the books. He has spent hours pouring over the pages.

I bought this for my daughter, who has read all the books with me over this past year. She also loves Legos. She loves just sitting and flipping through it occasionally, and although she is not a collector of any of these figures, she likes talking about the various plot points and character iterations. It's a great profile of all the characters portrayed through Lego World!

Great Lego character encyclopedia. My son has the Star Wars one as well and loves them both. takes them out frequently to peruse. If you or your child are huge Lego fans, this book is great. Gives information on each Lego figure such as what sets they are included in and what (if any) unique pieces that figure has.
