Wow. I absolutely loved this. I was a little on the fence about Rebirth and changing the roster of the Outlaws, but I have to say that I'm pleasantly and thoroughly surprised by how much I enjoyed reading the story. The artwork is fantastic, and the writing is great. The chemistry between the characters works really well. I cannot wait for volume two.

This has to be some of the best of Love's work! Any fan of any era of Jason Todd would love this! The story is pretty good.

Red Hood has found him some new outlaws. His banter with Artemis is pretty funny and the Bizarro is better. I like it

I definitely recommend this to fans. It describes how Jason becomes Red Hood and has outstanding character development. It is beautifully drawn and I couldn't put my kindle down when reading. The humor is on point-- in fact, EVERYTHING about it is perfect. Definitely worth it guys.

I am loving Red Hood and the Outlaws so much great story!

Great comic. Great characters. Amazing storyline.

Though I enjoyed the new 52 outlaws, Red Hood's new outlaws have more depth than the series originals. Especially the new take on Bizarro

This is the Jason Todd story I've been waiting on and the artwork is incredible. Truly my favorite series!
