Growing Older & Wiser (Lifeguide Bible Studies)

Synopsis

You can't change the fact that you are getting older. And, indeed, you may not want to! Age brings many gifts and opportunities for continued growth. In nine study sessions, Dale and Sandy Larsen help you discover the Bible's perspective on aging. You'll discover how God can effectively and powerfully use those who have grown wiser with the passing years. This LifeGuide Bible Study in IVP's revised format features questions for starting group discussions and for meeting God in personal reflection, as well as a new "Now or Later" section following each session to help you act on what you learn.

Customer Reviews

Dale Larsen is a writer living in Rochester, Minnesota. He and his wife, Sandy, have written more than thirty books and Bible studies together including Living Your Legacy and more than ten LifeGuide® Bible studies. They have also coauthored eight N.T. Wright for Everyone Bible Study Guides with Wright. Sandy Larsen is a writer living in Rochester, Minnesota. She and her husband, Dale, have written more than thirty books and Bible studies together including Living Your Legacy and more than ten LifeGuide® Bible studies. They have also coauthored eight N.T. Wright for Everyone Bible Study Guides with Wright.

Our Bible Study ladies are enjoying this book. It helps us look at the scripture for the week and think for ourselves how this applies to our own life. Altho our members are mostly long time Christians it

helps us share and get to know one another better. It's easy to follow and has helps in the back of the book to guide more difficult questions if needed.

Love this book! My ladies Circle at church chose this study for this year! It is full of great encouraging scriptures on how to grow wiser as we age and enjoy each season of our lives!

Have enjoyed this book

Great bible study! I have been doing these bible studies for many years and I love them all. This one my husband and I are doing together. It is a wonderful way to learn and grow in the way of the Lord.

using it for bible study now

We have not finished this book but my Sunday School class really likes it. And we are older and will be hopefully wiser once this study is complete.

Great book, questions were appropriate for finding a mature walk with God, Book came new and was well protected to send. It is a smaller book, with pages for writing and contemplation, along with bible verses to help in guided thinking. Although it was written as a personal study, there are questions at the back for a group. Well worth the money,

Item as described. Fast shipping.
