## Synopsis

Twice the Prince Charming, twice the happy ever after. Right? Theyâ™re rich, gorgeous, and dominantly possessive. Their name is Charming, and theyâ™re actual, honest-to-goodness royal princes. Oh, and theyâ™re twins. Itâ™s every princessâ™s fantasy to think about finding her prince charming, but what happens when she finds two of them? Literally. They both want me. And theyâ™ve made it perfectly clear that they come as a package deal. Two mouths. Four demanding, powerful hands. Two huge -uh- crown jewels?â œScandalousâ • doesnâ™t even begin to cover what the tabloids would say about this. I was burned one time before, but maybe â œoneâ • is my problem. Maybe it takes twice the man, or men, to make this fairytale complete? Maybe Iâ™m about to take on more trouble than I know what to do with, and maybe Iâ™ll just end up getting royally screwed. No, scratch that. Iâ™m definitely about to get royally screwedâ |\*Please note that each of the Possessing Beauty books are completely standalone stories centered around one couple, with no cliffhangers. Sharing Beauty is a quicky modern fairytale involving two utterly obsessed alpha heroes and enough insta-love, kindle-melting steam, and sugary-sweetness to keep you up far past your bedtime. This mfm romance is all about her â “ no m/m. If you love over-the-top, slightly unrealistic, and wildly dirty stories, this oneâ™s for you! HEA with NO CHEATING!

## Customer Reviews

Ilana goes to her father's suitor ball and she locks eyes with the Charming twins. Ilana doesn't want any part of them because of their friends' scandalous reputation. But finally they make a bet that she will have a good time with them. She can't turn down a bet but is little miss innocent...innocent after all?

I loved this series but this story was my favorite. It might have been because of the twin brothers and the hot steamy scenes! I loved the strong woman who was a little unsure of two brothers but held her own. I loved the alpha brothers and the dedication to their new love. The series is not very realistic but that is what makes it such a wonderful escape from reality. I loved the story and the series and anyone who wants or needs a short break from life will want to read this story!

Two in Princes, Cade & Caspian Charming share everything, including their women. These two men have many hurdles to overcome if they wish to share one queen someday, least of all convincing their intended that she needs them both as well. Princess Ilana will need to decide if she can deal with an unconventional relationship or is it even possible that these two men will stick around after they try to charm her socks off. I have enjoyed each book in this series.

This story about Ilana, Cade and Caspian Charming was very enjoyable. Her father's ball ends up being their beginning. A young lady who doesn't trust men or believe in love has met her matches. When they come together it is fireworks. Ilana starts to trust the twins but then doubts come back full force. The twins need to convince her they love her and want her. Will they have their Happily Ever After? I am hoping there are more stories after this one.

I love Madison Faye and the Beauty series. This book was double on the sexy and hot. I loved the two bonus stories too.

This has 3 stories....The MFM royalty story....Sharing Beauty Twice Driven Breaking Her Innocence All very sweet romances with lots of fluff. Loved them all!

Princess Ilana is the oldest sister with old fashioned ideal about love. Even though she was burned before by a prince and no longer believes in soulmate . At the ball she meets the twins Prince Caspian and Prince Cade Charming Can they add a little a scandal to her life and give her back her dreams of happily ever after

I liked this one it did not pull me in as much, but I liked the story. It is a really good book it is worth a read. Who knew Ilana would end up with two sexy alpha dudes. I hope you enjoy! Happy reading!!
