Customer Reviews

The Premier Source for Education Resources in Cosmetology, Esthetics, Barbering, Nail Technology, Makeup, Massage Therapy, Salon & Spa Management and Business Training. Serving the Beauty and Wellness Industry since 1927.

This is a very short, not much detailed CD on how to do lymphatic drainage. It doesn't tell you much about why lymphatic drainage is important and it doesn't tell you why the techniques are used. Could use more information.

Milady is just not a good in depth training system!

great
