Love how simple this book is. It's amazing how the author was able to put my own personal thoughts into prayer form, when I can't ever seem to find the right words. It also has a great index so you can search for a needed prayer based on the concern/issue you're having. Highly recommend!

Great purchase. Purchased this months ago and I still look to it for guidance. I highly recommend this book. If you are feeling down and in need of some pick me up, this is the book for you.

I always need help with what to pray and these devotions get me thinking and started on my own prayer.

The book was very interesting and praised God with all the glory

Gift for someone who was experiencing many challenges. Pleased with the purchase.

Purchased for a college graduate
