You're Already Amazing: Embracing Who You Are, Becoming All God Created You To Be

Synopsis

Read the Wall Street Journal bestselling book that has helped close to 100,000 women embrace who they are and become all they're created to be. With this heart-to-heart message, licensed counselor and certified life coach Holley Gerth invites you to embrace one very important truth--that you truly are already amazing. Like a trusted friend, Holley gently shows you how to forget the lies and expectations the world feeds you and instead believe that God loves you and has even bigger plans for your life than you've even imagined. "This is a book for every woman who needs to find her way back to hope, Jesus, and everything she was made to be in Christ. Holley Gerth is a fresh voice for every woman--she echoes the voice of our Father." -Ann Voskamp, New York Times bestselling author of One Thousand Gifts

Customer Reviews

Psst . . . pull up a chair and I'll tell you a secret. You'd better lean in close for this one. Ready? You don't have to do more, be more, have more. I'm sure there are security alarms going off somewhere. You should probably hide this book when your in-laws come over. But it's true. It's the kind of true that will change your life, set you free, and make you wake up smiling for the first time in a long time. I know because that's what it did for me. . . . So watch out, sister. If you keep reading you just might be next.

Holley Gerth wishes she could have coffee with you. She's the Wall Street Journal bestselling author of *You're Already Amazing* as well as several other books. She's also a licensed counselor,

certified life coach and speaker who provides encouragement as well as practical insights for the thousands of people she connects with each year.Â Holley cofounded (in)courage.me, an online destination for women that received almost one million page views in its first six months. And her personal site, holleygerth.com, serves over 25,000 subscribers. Outside the word world, Holley is the wife of Mark and together they're parents to Lovelle--a daughter they adopted when she was 21 years old because God is full of surprises.

Honest, uplifting, and centered on Bible verses. It reminds me that My Creator loves me no matter how much I get caught up in my worldly thoughts and take God for granted. Holley admits her fallacies and tells us all that we are amazing. Despite or maybe because of our brokenness we God's beloved. Before I purchased this book, a friend and I were sitting across from each other and I was in a particularly emotion place, she used Holley's phrase, "You are already amazing". I sat there stunned and wondered if my friend was already crazy. I didn't have a rebuttal. My tears dried up THAT DAY and I believe I am amazing. No "buts" or "if you only knew". Just a period. Read it and can "hear" Holley's insights. The book is a warm blanket on a blisterly cold day. Thank you!

This book is really good. It helps change your perspective on things. I found it thought provoking. I did this study with my mom and sisters - we all enjoyed it.

Great book and am enjoying it a lot! The loss of a star is for the free "Printable Pages" that she offers in the first chapter of the (book has some workbook/self-reflection questions as well as study questions at the end) are no longer offered on her website (although her other books still have them). Instead, it has been replaced by a Study Guide for an additional \$11 price. Because I am not the only family member reading this book, we did not want to write in the book and thought the printable pages would be great. However, the book itself is well-written with lots of good points and reminders about your worth and value .

Holley has done a fantastic job of covering a subject that really needs to be covered in contemporary Christianity. Too often we devalue ourselves as women or others fail to Simply quietly acknowledge the gifts God has given us. Holly covers a Godly way of looking at our worth in Christ and gives lots of practical suggestions for ways to understand our value and how we can add that value to other people because of what Christ has done for us through us and in us.

This book is seriously life changing. My friend recommended this book for the Bible study I have been preparing to lead, and I am just amazed that the chapters really correlate with what I am going through in my life. I think God knows how to speak through authors and the words they use. It is seriously a blessing, and I will recommend this book to other people.

I often read this book in the quiet of the evening on the front deck and God spoke to my heart... Reminders of truths we may already know in our heads but have seeped out of our hearts...

The book is amazing. I would recommend it to anyone! The only thing is on the kindle version, some of the words that are written in smaller and lighter text, you can't see. It stinks because I would really like to know for sure what she's saying. I wouldn't download a copy, I would just wait for a paperback in the mail.

Super excited to be reading this with my group of church lady friends. Just a great reminder that we are "Already Amazing".
