Customer Reviews

I'm loving Negan's character right now! He is turning into a great asset and Rick is trying so hard to hate him!

Nice to watch the survivors work like clockwork. Nothing scares them any more. Good Rick and Began interaction. Good read

Brilliant

I'm so addicted to these! Never read graphic novels and now I can't put this down

I love the walking dead comics and show but mostly the comics tho:P. As we get closer and closer to the end of this story it just gets better and better.

Maggie and the hilltop survivors head towards Alexandria, only to see it completely overrun. Yet another great issue in this arc. As Maggie and company try to find out how to assist in leading the herd away from Alexandria, we get to watch as Rick and Negan try working together as a team. Comic book gold right there! It's interesting to see how similar they are and how Negan is showing more of his human side. Whether this hurts or helps him is anyone's guess. I just know that I can't get enough of it and I really want to see Rick start trusting him. Can't wait for the next issue.
