My son started reading this series at school, he was so interested i've kept buying the next book and he loves reading them. Great book series!

Bought this book for my nephew he loved it so I definitely recommend it.

My kids love "the magic tree" books. Every story is easy to read and entertaining. Got them to read during summer break and will keep on buying the other stories

Great book for kids 10 and under

I love Magic Treehouse books. I read them to the child I mentor. He loves them. The book arrived as described and in a timely manner.

My 7 yo triplets love this series. So far, this is their favorite book. MP Osborne keeps them coming back!

Magic Tree House books are huge in our house and ones that my kids have always wanted to read. My 9 year old is currently into these and my daughter was before him. They are fun books that keep a kid engaged.

Christmas present for a grandson who requested these books!
