Synopsis

Dance Upon the Air When Nell Channing arrives on charming Three Sisters Island, she believes that she's finally found refuge from her abusive husband.... But even in this quiet, peaceful place, Nell never feels entirely at ease. Just as Nell starts to wonder if she'll ever be able to break free of her fear, she realizes that the island suffers from a terrible curse—one that can only be broken by the descendants of the Three Sisters, the witches who settled the island back in 1692. Heaven and Earth Ripley Todd just wants to live a quiet, peaceful kind of life. Her job as a sheriff's deputy keeps her busy and happy. She's perfectly content, except for one thing: she has special powers that both frighten and confuse her—and though she tries hard to hide them, she can't get them under control.... Distraction soon arrives in the handsome form of MacAllister Booke—a researcher who's come to investigate the rumors of witchcraft that haunt Three Sisters Island. Face the Fire Mia Devlin knows what it is like to love with your whole heart—and then watch your love walk away. Years ago, she and Sam Logan shared an incredible bond built on passion, legend, and fate. But then one day he fled Three Sisters Island, leaving her lost in memories of the magic they shared—and determined to live without love. The new owner of the island's only hotel, Sam has returned to Three Sisters with hopes of winning back Mia's affections. She'll need his help—and his powers—to face her greatest, most terrifying challenge.

Nora Roberts is the number-one New York Times-bestselling author of more than 190 novels,

including *The Search*, *Black Hills*, *Tribute*, *High Noon*, and many more. She is also the author of the bestselling futuristic suspense series written under the pen name J.D. Robb. Roberts has more than 400 million copies of her books in print.

I ordered this book for a friend. So can't tell you about the content and how it is written. I know I have ordered her several books by this author and she has never been disappointed.

I like the "sets" Nora writes; the books in the set follow characters across a couple of stories and it gives me that sense of family. I enjoy the escape into fantasy...and let's face it, Nora's books are fantasy no matter the location or storyline. Nobody in real life is so wonderful, kind, understanding, accepting, talented, beautiful, and sometimes fantasy rich! No location is so picture perfect; and let us not forget the bits of magic and paranormal sprinkled about like fairy dust! Yes, there are, shall we say, erotic stuff... if you like that stuff read it, if you don't care to read it just skip those pages like I do (yeah, yeah, un huh, right, 4 pages? really!) I love the visuals, I love the fantasy, I love the positive "good people win!" I love escaping my life into the fantasy world!

Oh my gosh, did I ever love this series!! The characters are wonderful and you find yourself drawn into their lives. She takes time to describe each scene so that you are drawn in and actually feel like you are there.

This series is my favorite. I've read it at least 4 times or more. The women are strong, smart, sexy and independent...the men gorgeous, funny and smart and the story line draws you right into their fight to save 3 Sister's Island.

Wonderful three book series. Enjoyed every minute of the read. Sorry to finish the last book. Wanted one more that told what happened later in life including the children.

Love this trilogy! Almost finished with the 3rd part and it's great! The trilogy has a lot of suspense, scary parts and you fall in love with the characters.

This was my first Nora Roberts audio book it was just OKAY. It was rough around the edges. Some of the language was just not necessary to tell a story.

This arrived very quickly and was in perfect condition, sealed in plastic. There are multiple CDs for each book and it will take me weeks to get through on my commute to work. Love Nora Roberts anyway, but I find I'm in a good mood when I get to my destination after listening.
