Customer Reviews

Expresate! Level 2 (Cuaderno de Vocabulario Y Gramatica)

School textbook Product delivered is as promised

Arrived promptly . Exactly what my daughter needed for school.

Great deal on a book my daughter needed for school.

My kid love it.

Arrived quickly, but bent in half because it was in a basic manilla envelope much larger than the book. (No support or protection)

Very Helpful.

just what the teacher asked for

It took a little longer than usual to get to me. Very well maintained, I just had to erase all the pages, but I'm glad with it.
