Every page comes with its page number at the bottom, with enough space to write next connecting pages if you do threading or connect with other journals. The page numbers also allow you to make table of contents, or index, with ease, saving tons of time! All dots are in light gray, so they are easy on the eyes, and less distracting when you write, while they can still guide your writing perfectly. Medium spacing (0.28 inches) between each dot, which is the same as Medium ruled standardized formats of ruled papers, so you can rest assured you are about to write in the space that you are most familiar with. Dot grid makes it easy to write in straight lines but also allows you to do things sideways, diagonally, or even free form. Ideal for bullet journaling and other dynamic note-taking methods, because of its flexibility to different layouts! Many sizes to choose from, to match your needs..
