Redemption (The Arotas Series Book #3)

Synopsis

NEWLY UPDATED VERSION. IF PREVIOUSLY DOWNLOADED PLEASE MAKE SURE YOU OPT IN FOR UPDATES ON YOUR STORED BOOKS Discover book 3, REDEMPTION from the best-selling clean young adult paranormal and urban fantasy AROTAS series that everyone is talking about! The series with over 6500 5* ratings (iBooks, and Goodreads) "One of the most emotional books I've ever read!" • Reviewer ***** "it is indescribable and amazing!" • Reviewer ***** Roseline Enescue has always been a warrior, the fiercest among her kind, but when she is stripped of her strength and left teetering on the edge of insanity, she is forced to rely on the one person she trusts the least. As Fane and Nicolae fight to save Sadie's life, they find themselves pulled into a tremulous truce between hunter and immortal when a string of gruesome murders break out. The lines have been drawn and the battle preparations have begun, but only Gabriel can save them all if he can survive the final two tasks. The first battle may be over, but the war has only just begun. Click on the link above to experience the redemption! Then don't forget to check out the final book in this series when you are done. Evermore, Book IV (novella) Want to know how it all began? Desolate, Book I of the Immortal Rose Trilogy

Customer Reviews

I discovered the first book to this series, during a late-night browse on my kindle. I was so drawn in and immediately wanted more. As soon as I finished it, I had the second already sitting on stand-by, waiting for me to select it. I loved it even more than the first. Drawn in by Roseline & Gabriel's budding relationship. Sadie's antics. Will's love of cartoons. Nicolae's double life. Fane's longing. I had a hard time putting it down! Then I was left in a cliff hang. Stuck waiting for what felt like forever (in reality it may or may not have been only a few months), in eager anticipation, to find out what happened next. And it's finally here! And it was every bit as awesome as I had hoped. The multiple points of view flowed seamlessly (imho, at least!), the story was riveting (I may or may not have cried at some point....) and the ending had definite twists I never suspected! All in all, it was a fantastic finish to a story that I know I will be reading several more times in the future :-)

Vampires hunters angels demons ... fallen angels... the garden of Eden found...Death death death... and more violence...And finally a heart wrenching funeral...Just the hint of happy ever after to come

Back when I started this series I thought it was going to be like every other YA PNR I've read. You know the type, teenage girl falls immediately in love with a boy and does stupid things. This series has gone above and beyond what I would have expected. It's definitely not your momma's romance. This series is totally bad ass. Each book gives you an inside look into a different character by alternating pov's. I feel like I know these characters so intimately and book three crushed me to my core. I said in my review for book 2 that no one is safe and book three proved that. I almost didn't believe what my eyes were reading. It was like I was in denial over the death(s) of a fictional character and I was not okay with it. Redemption was a bloody mess. I never shy away from gore but this will make some people squirm. The thing I loved about Redemption is that it was unpredictable. I had a million scenarios running around in my head and not one of them was right. I thought there would be a huge reunion between Roseline and Gabriel, but the author had other plans. Wicked plans. In retrospect, I wouldn't have had it any other way. I'm also glad that she wrote a novella after Redemption. I hate guessing what's supposed to happen next. I like to read where there author intends for it to end, not where my crazy imagination will take it.

I LOVE this series!! I hv read some of the other critiques that are negative and I don't get it!! Ok, so there are a few grammar and spelling issues but with an intricately woven story full of Heroes and Villains and Love, I could care less!! Though the story has a very well worn plot, the author casts a wonderful spell over the story that allows the reader to become invested in wonderfully layered characters! Sadie is my ultimate fav!! I really hope that Amy Miles will write a spin off for her!! I also like how Miles isn't afraid of killing off important characters! Not only do some die, but others don't meet their soul mate suddenly! In other words, every story isn't wrapped up in a pretty, feel good bow. That's very rare in this genre-esp, with YA books!

Miles Strengths: Man, can she write good fight scenes!!! Whew!!! She also doesn't shy away from the nitty gritty details!! If someone's gonna be tortured, she's gonna fully commit I don't want gory scenes but if an author states that someone's going to be tortured for info, then I want commitment. If not, don't say it!! I also love how dangerous the book is. Outside of a couple obvious choices, no one is safe, so the reader is kept on their toes!! Nicholae and Sadie are my fav couple, but the main couple Rosaline and Gabriel, were wonderful! I enjoyed their struggles and how well Miles developed it. The plot twists are surprising and really separate this story from many!!

Miles Weaknesses;I felt like the backstory for the Arotas was never fully explained. Miles introduces all of these different elements sometimes it just raises more questions than answers. For example, Gabriel has a guardian angel, but where was he before Gabriel turned and does everyone have one or only people who are involved with the prophecy?? Also, Rosaline helps create a safe house/training ground in Canada's whose main purpose is...I never fully got it. Was it a refuge camp for immortals who are against Valadimir's rein, or a training ground???

The whole point of the series is that Gabriel and Rosaline's purpose in life is based on a prophecy and we NEVER find out what the exact prophecy is. What's that about??

Overall: Great surprises in an exciting plot!!! Wonderful love stories, beautiful fight scenes, Miles isnt afraid to spill blood and take chances, but the story needs to be cleaned up a bit. I don't know if Miles had an editor, but if not, that's what was needed and if an editor does exist, fire them Amy Miles! Stellar Storytelling!!

"They will begin to question everything they think they know about this world. And maybe, just maybe, they will allow themselves to consider the impossible: That monsters really do exist. Tonight, they will begin to fear the unknown, that which lurks in the shadows. Tonight, the existence of immortals becomes a reality."Redemption, the conclusion of the Arotas Trilogy will simply blow your mind. You won't be able to turn the pages fast enough. Lucien is back and plans to expose

immortals to the human world and Roseline and her friends will do anything to stop him. This book is filled with action and suspense, leaving the reader guessing how it's all going to end and what an epic ending it is! It's the final battle, the battle that will either make or break the characters we have come to love in this trilogy. Who will survive? Who will come out on top? Amy Miles writing talent is plain to see in this amazing final book. Her way with words and descriptions makes it easy to fall into the world she has created, making it feel like the reader is right along side the characters. We feel, taste, and smell every detail and when it's all over, we feel slightly disoriented when we crash back into the real world. I can't wait to read what she has in store. She's definitely made me a fan for life!
