Prisoned: A Dark Twisted Erotic Standalone

Synopsis

Some things were worth the punishment. Garin was one. When I opened my eyes, I was in a cell, my body covered in bruises. Not a jail. I'd been kidnapped and imprisoned. I wasn't alone. I shared the cell with Garin Woods, the man I'd loved since I was a kid. The man I couldn't be with because of the secret. A man who would kill me if he found out what that secret was. Someone wanted to torture me. Torture us. One of us deserved it. It wasn't Garin. *WARNING* Prisoned is an extremely dark novel. There are strong sexual themes, drug usage, physical abuse and torture that could trigger and/or cause emotional suffering. You have been warned.

Customer Reviews

I really enjoyed this book. I don't know if I need to be mad at Garin or Kyle or happy that they are once again reconnected whether it's planned, kidnapped or voluntary. Kyle was carrying this secret for so long that she was hurting no one but herself she was unhappy and she was tortured not the actual person who committed the crime. When they was kidnapped I never once thought that Garin was the mastermind..lol! Now I wish I had a couple more lines or pages to see what Kyle thought about finding out her dream wasn't a dream.

I came to read this author from a recommendation from another very dark author. For all that's been said about her, I thought this one was much darker, grittier, filthier, and gorier. It's not necessarily a bad thing but there were scenes in this that could turn your stomach. The heroine is tortured in extremely gruesome fashion - physically, sexually, and psychologically. Be warned if you have triggers. Why I didn't give it five stars? The flashbacks were very jarring. It's fine if you're able to read continuously but having to put the book down means you have to backtrack to get caught up. Also, I predicted the big bad early on as well as the plot twist, so maybe I've just read too many of these types of books. But it was very well written, I could sometimes picture it a little too well, and when I was hooked I didn't want to put it down. I'll definitely be checking out more from this author.

You know that feeling you get when you've just finished an amazing book? You know the one! While reading you get goose bumps and certain scenes make you literally sit up with anticipation. Where you feel a deep range of emotions that take over your own mind and heart. The author has pulled you into a fictional world you never want to end. You want to go knocking door to door to make sure everyone has heard about this book. I love that feeling and my latest read has shaken my world. *Prisoned* by Marni Mann has everything you could ever want and then it completely flipped upside down. It's a dark romance with layers upon layers of depth and hidden agendas. Everything inside of you is screaming for this couple to make it. Not to mention that their narrative is a second chance love story. I believe our soul mate is revealed only once during our life. Maybe it's a glimpse of a stranger. Maybe it's our best friend. The timing may not always be right. But, when they're shown to us, we know it's them. Then, life happens. We grow. We age. We develop scars. And we remember that glimpse. Some are lucky enough to spend the rest of their lives with that person. Some, like me, have only memories. Kyle (female lead) and Garin are childhood best friends. In a world of poverty and crime they rely on each other (and their other best friend) to survive life in The Heart (the housing project where they grew up). Friends couldn't be any closer than these three. Tragedy is common in the lifestyle in which they were brought up and it's hardship that tears Kyle apart from her childhood friends. But years later another forces Kyle and Garin back together. That's about all I can tell you as far as storyline goes. With these dark twisty reads, the less I tell you the better. *Prisoned* has easily joined the top of the ranks with some of my favorite books. Marni Mann outdoes herself with these characters, the writing, and the development of the story. It's abundantly clear that this is a story written from the mind of a very talented woman. A leading lady who's *Prisoned* has a whole new arc to the theme with this story. Garin is outstandingly

written. His protectiveness and loyalty to Kyle is easily something to swoon over but he's got this dark edge that leaves the reader with their mouth hanging open, needing to fan themselves, and also a little uncertain that all his intentions are pure. Kyle is naive but hardened. She's paralyzed by circumstance but also from uncertainty of the right thing to do. She's fierce yet vulnerable. She's trustworthy yet dishonest. She's a complicated character that brings layers of facets to the read. I can't say enough commendable things about *Prisoned* and Marni Mann. I wish I could go into depth about this story without giving away the magic of ignorance that you need going into this book. If you like dark with heart, a story twisted with a strong story and shockers than *Prisoned* is perfect for you. You'll be hooked and wrapped up in the strong relationships of these characters. You'll be invested in where this story goes and the aftermath of awe you'll feel is guaranteed. I strongly believe *Prisoned* should be read by every dark romance reader and I give my deepest admiration for this author and her brilliant mind, alluring words, and complicated characters.

I have been waiting for this kind of book for so long! A dark erotic twisted book, about love, friendship and keeping secrets. You are in for one hell of a ride.. THIS BOOK IS BRILLIANT!!!!!! *Prisoned* by Marni Mann. Garin, Billy and Kyle are best friends, living in a project called 'the heart' in Atlantic city. They don't have much, but they have each other. The life on the streets, and broken families gets them to watch each other's back. Kyle is a sweet fragile girl, who loves art so much. She is secretly falling in love with Garin, who is also going through the same process. They almost get to 'consummate' their love, but fate has other plans. Kyle holds a secret, a big one that can destroy their friendship forever, so she moves to another state and living the guilt every day. Garin and Billy stay with no answers. 12 years later, they meet again at Billy's funeral who tragically died of an overdose. They are being *prisoned* in a damp cell and being tortured for reason unknown. But Kyle has a hunch it is about the secret she is holding, but she won't tell. Will this secret destroy them? Can she handle the torture? Will Garin forgive her? Mmmmm... You will have to read to find out. The plot stretches over 16 years, the book is written with back and forth episodes, but it makes it all worth it. We get a glimpse of their lives as kids. The book is well written and flowing, it keeps you in suspense and get your mind twisted with the plot. Kyle turns out to be a strong character, enforced by her love for Garin. She will not break if only for the sake of keeping him safe. Garin turned out to be decent, despite his line of work and his past in the streets. Hot sex scenes !! At some point, we were waiting for the punch to arrive, and it didn't, but like all good things - they save the best for last! And the cover is sooooo beautiful!!!!!! Give this book 5 shining

stars for the plot, the twisted darkness. Enjoy
