# Emissary Of Light: My Adventures With The Secret Peacemakers

## Synopsis

In a land ravaged by nearly incomprehensible hatreds, a man came with a backpack and a guitar. His goal was to sing a peace concert in Bosnia. What he would find was an extraordinary secret waiting to be revealed. James Twyman, a traveling troubadour, would risk his life to sing prayers of peace. But with the violence of Bosnia raging all around him, he made a journey to a secluded mountainous area. There he met a mystical community known as the Emissaries of Light, a secret society said to have existed for thousands of years, dedicated to the eternal flame of peace and the banishment of fear and mistrust from the world. The first outsider invited to observe the Emissaries' extraordinary meditations and their powerful effects, Twyman is plunged into an experience of revelation that changes him forever and inspires him to share this new vision for the world. As the Emissaries teach him their lessons, the simple man with the guitar learns an important truth: Despite war, cruelty, loneliness, and fear, peace is not just a dream, it is a powerful reality that already exists within all our souls. Peace is, in fact, our destiny.

Much like James Redfield's *Celestine Prophecy*, Twyman's book of cosmic ramblings was picked up by a major publisher after initial success with a small house. Copyright 1997 Reed Business Information, Inc.

EMISSARY OF LIGHT by James F. Twyman shines brighter than the sun. This is an action packed true story about Twyman's invitation to perform a peace concert in war torn Bosnia during the late 1990s. He is completely transparent about sharing his raw fear, his excitement in being led to meet a hidden ancient small community of people known as the Emissaries of Light, the invitation to learn from them how to change fear into unconditional love in order to help bring about world peace. We

are humbled to be able to witness the spiritual maturation of Twyman and his own peace ministry as a peace troubadour and a teacher of peace. We are humbled and privileged as we watch him walk his edge in courage, love and humility. Fear induces a heavy burden of paralysis, revenge and hate for the unknown in most people. If you read this book, it means that you were led to it by your Higher Self, your Soul. Go with your Soul and shed your own burdens. Read this book NOW!!

Loved the book. It is an easy read and very interesting.
