# A Quick Read On What You Should Know About Colon Cancer And How To Prevent It: Detailed, But In Laymans's Terms (What You Should Know About Your Health ... Care Of Yourself; In Layman's Terms Book 1)

A Quick Read on  
What You Should  
Know about Colon  
Cancer and how  
to Prevent it

Detailed, but in laymans's terms

YOLANDE CHRISTIAN

## Synopsis

This short book explains what colon cancer is. It explains how it develops and the conditions that lead to its development. The book then explains some of the ways in which to prevent one from developing colon cancer. It describes the symptoms a person may experience if they have this form of cancer as well as how it is diagnosed and treated. It is detailed but brief. It gives an overall understanding which serves as a great basis from which to further research. It gives the layman and potential patient a good basis of understanding of the disease, how to prevent it and what one will experience if they develop this cancer. It gives them a basis from which to manage their care or prevention. This is done in detail and simple terms.

## Customer Reviews

Very disappointing read. There is not much here and I would advise you to save your money. There is more information available to you on the internet.
