very interesting material. Quality management is well explain and provides tool to achieve it.

I can't say enough about how great this book is. Very insightful and directing

Excellent, couldn't tell it was used.

True to description and speedy delivery

Books was just as described. Was very useful for my studies. Arrived in a timely manner.

Great book

Good text for the FIU class.

Language is not clear, a lot of repetitions, by far not the best textbook that I had..
