Rise Of The New World Order: The Culling Of Man

Synopsis

The paperback version of this book is 626 pages, not 445The same occult group of people who have been ruling over humanity for thousands of years continue to do so to this day. The Luciferian one world government of Biblical prophecy is unfolding behind the scenes as you read this, and was given the catchy name of the 'New World Order'. In our modern day world, the technology exists to fulfill all aspects of the Biblical prophecies regarding the End Times, including the resurrection of the original Antichrist, who was the architect of the New World Order over 4,000 years ago. This tyrant will be brought back to life to rule the world once again by using mankind's advanced DNA technology, fulfilling the prophecy of Revelation 17:8 "The beast, which you saw, once was, now is not, and will come up out of the Abyss and go to his destruction. The inhabitants of the Earth whose names have not been written in the Book of Life from the creation of the world will be astonished when they see the beast, because he once was, now is not, and yet will come." I'm going to show you specifically the evidence that identifies who the Antichrist was and will be again, how the plan for the New World Order began, who ran it through history, who runs it today, and what is to happen in the very near future. You can learn right now all of the most important components of this evil agenda and how they interlock to form a pyramidal, compartmentalized conspiracy run by the Luciferian elites, to the ultimate benefit of only a few thousand of the people involved with bringing the one world government to fruition. This is all revealed in my first book, "Rise of the New World Order: The Culling of Man". If you've never heard of the New World Order, what is happening behind the scenes is frankly quite shocking. My first book is exactly the 'red pill' that will wake you up to what's really going on in the world. Yes, it's quite disturbing, but there's a happy ending full of hope and promise if you understand what is REALLY going on, that which is plainly laid out in my books. The second book of this series, "Rise of the New World Order 2: The Awakening" is also out now. Please read the book reviews for this thrilling new series of books here on Amazon.com and also Amazon.co.uk, and you will see that I am creating a highly important series of books for you to not only read, but to make others aware of their existence. The time for a mass-awakening of humanity is short and I need your help! I'm currently working on the third book, 'Rise of the New World Order 3: Falling Sky', and expect to have it done and out in 2018. Thanks for reading and thanks for your support. -Sentinel Jeff Hays

Customer Reviews

Need an open mind to grasp the reality of this book. Most people will be surprised and/or shocked at some of this information. The author has done a lot of research to tell us the truth about how a few filthy rich people have dominion over us all. I am waiting for the second book on this theme. Highly recommend this book, any Christian or any person who wants to stay free needs to read this book. This is a true book, not science fiction. Read this book and then tell others about it.

I've always been a believer in something much bigger than what we see on the news, a "behind the scenes" manipulation of governments all over the world that 99.9% of the world is completely unaware of. I'm also a die-hard Christian believing in the Bible. This book puts the two theories (Revelations) together in a terrifying scenario of what's coming. Some of it is hard to believe, but the general gist of it, a march toward a One World Order, I believe is unfortunately true. I recommend everyone on the planet read this book, and realize time is short.

Not just a crank conspiracy theory, but has masonic and Illuminati origins manifest in banks and governments that still rule and control America and the UN's actions to this day. This antique

adventure no one seems to have an answer to solving needs to be brought to full attention and acknowledgement and forfeited for it will also result in the death of the rich (mass extinction) for it will damage the Earth beyond livability. The world can become One World governed if we simply would have collaboration instead of warmongering with a goal of WW3. The way America and the UN is going about it just criminal... New World Order is not the good plan you were taught and this is why Europeans see Americans having foolish optimism. This most awful plan will be brought about in the not so distant future via dollar collapse and warmongering...We deserved far better and this most awesome planet deserves a far better plan than what are inept leadership running on a 19th century plan is producing.

I became "awakened" just a couple of years ago to this plan by reading everything I could get my hands on. Much of what I read in this book merely validated so much I already know, but I also learned so much more. I cannot stress enough the importance of reading this book, and then sharing it with as many people as possible. There is only one way to stop this "Great plan" from happening, and sending humanity into 1000 years of bondage and darkness... and that is to wake up as many people as possible. The people have been waking up in droves, which has caused the globalist leaders to step up their game... this is nothing short of a war between good and evil. I do warn you.... once you learn what is happening, and you unplug from the Matrix, there is no unlearning what you know... and keeping your head in the sand will only further the problem. Reading this book will definitely start you down a path of truth seeking...Join the patriots in the fight!

What an eye opener, to realize that most of the history has been doctored to fool humanity, satan will stop at nothing to separate humanity from God and Jesus Christ. But we know the ending to this, Satan and his minions who think they control the earth have lost, they are just fulfilling what God intended. To destroy evil once and for all. This book is a must read if you want to be prepared and not caught flat footed, because these things are happening the Bible said they would. Michael is merely a watchman sounding a warning. Our salvation is much nearer than even I thought, time to hold fast to our faith in Jesus Christ because soon He is coming.

The book has a lot of information to think about and I recommend it but I recommend everyone think on their own when reading. One thing I didn't care for is the "g-d is testing us" thing. What kind of all loving g-d would allow a child to starve to death to test someone, or allow genocide for the purpose

of "testing" people? That just doesn't make sense. I read an article at universal-rights dot com titled Revision that makes sense of all that. Mr. Hays put a lot of work in his books and it shows, and thanks to the Internet and publishing that kind of information is possible. Keep the information coming Mr. Hays! Not everyone has the time or inclination to research so having it all in an easy to understand book is great.

...Buy it. Read it. Read it now. Well researched, as I was familiar with most of the subject matter in this book prior to. The author correctly traces the origins of the 'new order of the ages' all the way back to Nimrod, and correctly explains how MOST if not ALL the cultures and traditions of the world have their root in ancient Babylon. The only way to combat this system is complete faith in Jesus Christ. The REAL Jesus that is..

In brief, 'The Culling of Man' in my opinion is simply one of the most powerful, revealing and truthful books that one could ever get their hands on---a must read, a must share!! I am thankful to the author for his service as an instrument in sharing Divine Truth. If you want to know how we got into our current state of affairs with respect to politics, culture, economics and where we're headed---put your seat belt on, your about to find out! Such an important read... 'and the truth shall set you free'. Charles W. Sherman Oaks, CA.
