John Leader Guide: The Gospel Of Light And Life (John Series)

Synopsis

The Gospel of John is the most deeply spiritual of the four gospels. It includes some of the loftiest and most loved verses in all the Bible: “And the Word became flesh and dwelt among us, and we have seen his glory, glory as if from the Father, full of grace and truth.” “For God so loved the world that he gave his only Son, so that everyone who believes in him will not perish but have eternal life.” “You who are without sin cast the first stone.” “I am the resurrection and the life. Whoever believes in me, whoever believes in me will live, even if they die. And whoever lives and believes in me will never die. I am the way, and the truth, and the life.” The writing is filled with rich images and profound truths, but John notes that his aim in writing the gospel is that his readers will not only believe in Jesus Christ, but that they “may have life in his name.” Join Adam Hamilton and experience a season of spiritual growth and life-changing renewal while exploring the major themes of John while reading the entire Gospel of John. The Leader Guide contains everything needed to guide a group through the bible study program including session plans and discussion questions, as well as multiple format options. This guide centers around the book, the videos, and Scripture.

My church used this as a bible study. It gave me a new perspective on the divinity/kingship of Christ, fulfillment of prophecy, Crucifixion, and resurrection. Without John our Christianity would be incomplete.

Hamilton is an extremely talented writer! My Bible Study Group and I loved this book! Amazing explanations!

This is a super Sunday School classroom guide for conducting classes on the book, John: The Gospel of Light and Life by Adam Hamilton

I am looking forward in reading said book. My church is having a book study of John. Thanks

Not one of Hamilton's better works, in my opinion, and I am an Adam Hamilton fan.

Too shallow. Weak view of Scripture. Misses major themes.

I'm using this book for a study at church - best Christian book I've read.

Good study of John
