I use this book daily! It sits on my desk as a daily reference that gives me inspiration everyday during my work shifts. Maxwell has a special passage for each day of the year and his words are very inspiring. I definitely recommend this book to anyone who need that extra daily inspiration at

work. Just keep this book handy on your desk and open it up every morning and read the passage of the day!

This book is a real motivator. I read the daily read along with my wife over a cup of tea every morning. Then I take it to work and have my management team read it daily. It motivates us and gives us a daily leadership direction at work. Read it and make it a team effort. In a few weeks you will see great results comign your way.

First, let me say that I love John C. Maxwell - his books are very motivating. This book is one of his best, in my opinion, because it has short, daily entries. I can read a 1 - 2 page daily motivator and be on my way.

I read this book every single day at lunch time. It gives me thought-provoking action statements at the end of the daily statement. I've always been a very fond follower of John C Maxwell, this one did not let me down. I highly recommend it, because it gives statements throughout many of his books, and then references the books if you would like to continue reading about it

Great daily advice. It's even worth it to continue and start over after the first year.

Awesome book for leaders! There is a page to read each day with a one sentence action plan for the day. Every day for three years I have read a page as part of my daily routine. Each page is interesting to read with relevant take always that are really helpful, challenging and thought provoking catalysts for change. This is one of my favorite books to give as gifts to leaders in my life.

Read from it on a daily basis. Great inspiration!!

This book is amazing! Best read I've had in a long time. I've been using it daily with my leadership team and it helps remind us all of good traits of a leader. Definitely worth the small cost!
