Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This book does what is says. The software allows you to listen to what the song should sound like and you can slow it down or speed it up as you improve. The disk also has backing tracks so you can play guitar with bass and drums. The song list is some of the grunge era's more popular

songs. The tabs are well written and the backing tracks are very good. It doesn't get better than this for guitar players who have no band to back them up.
