So happy to find this saint series! It is wonderfully written for younger kids. I have been trying to find a series that is not so "dry" and more enjoyable to listen to for preschoolers. This was it. My only complaint is that the illustrations are too "cartoony" for my taste. I would love to find this book w/ more classic/beautiful illustrations.

We love these Saints and Me! books for you 5yo... they provide the perfect amount of information. Very pleased.

It is wonderful!
