Synopsis

*** 30 UNIQUE ILLUSTRATIONS DESIGNED BY 9 TALENTED ARTISTS *** Relax and step away from everyday life stress! Coloring books aren't just for kids anymore. Nowadays our lives become busier and more complicated. Technology escalation moves us through waves of emails and social networks notifications. This constant stimulation of expectations, obligations and stress has left us burnt out and distanced from the joys of the present. Finding a moment of calm can be a challenge. Recently, coloring has been discovered a wonderful activity for anyone who wants to relax, de-stress and release mind from overwhelming thoughts. The growing popularity of adult coloring books proves its positive simplicity and being a trendy way to find yourself focused and unwind from the hectic pace of modern life! Channel stress and anxiety into artistic fulfillment. Escape to the world of inspiration suitable for both, beginners and advanced colorists, anyone who loves coloring joy. There are no instructions, no rights or wrongs, and there is no need for expensive art supplies. Color in any way you wish to create unique and exquisite pieces. Coloring can benefit those who find it difficult to discover their inner artist when faced with a blank page. Switch off and lose yourself in the flow of coloring. The book features SpringTime themed illustrations, full of blooming flowers, bees, birds and other animals. Features: 30 beautiful, stress-relieving patterns, designed to engage and spark imagination to unleash your inner creativity. Different levels of detail, from easy to difficult (for different eyes). Pick a picture depending on your mood and start your de-stressing journey. Printed on large 8.5x11 high quality paper and you'll have plenty of space to be creative and work on the details. When you are done, you will have unique piece of art, worth framing and displaying. Perfect for decorating with colored pencils, gel pens, markers, porous point pens or crayons. Share your coloring passion. Give your friend a gift of relaxation or sit and enjoy it together. You don't need creative experience. If you find it difficult to discover your inner artist - you will still benefit. Coloring alone is calming, just add color! Scroll up and get it now! *Please note that if you are using markers or gel pens, consider using scrap paper behind the page you're coloring to prevent bleed-through.

We are a group of illustrators that came together to create and publish beautiful and original coloring books for adults. We want to give unique experience to people around the world and provide long hours of relaxing joy. Happy coloring! --This text refers to an alternate Paperback edition.

I bought these for my husband's elderly and ailing aunt because she likes to color while she's sitting. She gets bored with TV and wants to do something other than read, so the coloring books were a good thing for her.

I love to color in this book

Coloring Craze has a hit with their coloring book 30 Spring Blooms for grown and also not-so-grown colorists. There's a great variety of illustrations for all ages and skills and best of all, they all scream, "It's Springtime!" Thirty pages of beautiful Spring line drawings guarantee hours of happy, relaxing, meditative coloring and creating. I've included two of my own completed pictures as well as several others that are on my to-colour list. I am thoroughly enjoying 30 Spring Blooms and give it a resounding 4 stars.

'Spring Blooms Coloring Pages' has pages of varying difficulty, so no matter how you're feeling, you'll find something you want to color. Expert? Novice? This book is for you! There are also varied styles, so if you like something realistic, artistic or simple, it's in there. Flowers, birds, butterflies, ducks, bees and all different kinds of flowers. Scenery, Mandalas and more! Sample of one of my favorites attached. Give it a try!

Another enjoyable book from Coloring Craze. This time the focus is on spring flowers. There is something for everyone in this book - crisp designs and then the more intricate ones. I prefer to make copies of the pages so that I can redo the pictures in various colours and mediums.

The coloring books compiled by Coloring Craze are always of high quality and this book is no exception. It contains 30 original (not stock images or clip art) pictures from several artists who unfortunately are not named in the book. The line work is clean and crisp. There are plenty of flowers to color, but there are also birds, butterflies, bees, deer, rabbits, ladybugs, turtles, dragonflies and fish.

Very cheerful book with a nice variety of styles by various authors, printed on one side

As always, Coloring Craze provides really lovely, detailed illustrations, portraying the beauty of springtime. What I like best about this book is that there's a really nice balance between the super detailed illustrations, and equally alluring simple illustrations, like the one pictures below. Whatever your skill level or time commitment, there's bound to be something in this book that you'll want to work on. Definitely one of my new favorites!
