Gay Awareness: Discovering The Heart Of The Father And The Mind Of Christ On Sexuality

Synopsis

Homosexuality has taken center stage in our nation, churches, and homes. Everyone knows or cares deeply for someone who experiences same-sex attraction, sexual confusion, or practices homosexuality. While the entire world talks about homosexuality, the subject remains taboo in many churches. The fear of being labeled as hateful, a bigot, or ignorant has kept many Christians out of the conversation. The church remains silent, leaving many people who love God confused about what the Bible really says about sexuality. Did God make people gay? Does God love homosexuals? Will people have to deal with same-sex attraction their entire lives? Landon Schott brings truth and clarity to sexual confusion, using over 400 scripture references to reveal the heart of the Father and mind of Christ. Gay Awareness exposes false teaching and deception that have created a false identity through the lens of sexuality instead of the eyes of God's Word. Gay Awareness will stretch you and challenge you, but with relentless love bring you comfort and healing. In *Gay Awareness: Discovering the Heart of the Father and the Mind of Christ*, top-selling author and nationally known speaker Landon Schott addresses:

- What the Bible actually says about marriage, sexuality, and homosexuality.
- Mistakes the Church makes when addressing homosexuality and the gay community.
- Contradictions between the gay lifestyle and the Christ-centered lifestyle.
- Clear insight into how to genuinely show Christian love to those who practice homosexuality.
- How people can experience deliverance and freedom.

Featuring an extensive interview with highly respected authority Dr. Michael L. Brown, a multiple book best-selling author and expert on spiritual renewal and cultural reformation, *Gay Awareness* is the book you've been looking for to find clarity, teach you what Scripture says about homosexuality and how to respond to people with love, grace, and truth.

Customer Reviews

"Where there's confusion, there's a crying need for clarity. And since few subjects are as fraught with confusion as the subject of homosexuality, Landon Schott's *Gay Awareness* provides a welcome and much-needed voice. This book is a direct, easily read guide to the many subjects this issue raises, leaving the reader better equipped to discuss same-sex behavior from a Biblical perspective."-Joe Dallas
Author and speaker (Joe Dallas)"At a time when our culture is being shaped by political correctness and moral cowardice, it is refreshing to have a voice like Landon Schott's shouting in the wilderness. The message of this book is both forcefully prophetic and graciously compassionate---because we need both grace and truth applied to the hot-button issue of homosexuality. This is not a book about hate or condemnation. Landon offers hope to those who struggle with their sexuality, and encouragement to all who minister to the sexually broken."J. Lee Grady
Former Editor, *Charisma* magazine
Director, The Mordecai Project (J. Lee Grady)"Powerful! Revealing! Filled with both grace and truth! A right now word for one of the most controversial subjects of our time. Written with love and clarity. As sharp as any two edged sword, yet brought in its sheath. Reminiscent of Jesus' interaction with the woman at the well. A must read for those who are hurting, confused and seeking truth! As well as educational for the church on the true heart of The Father!"-Chris Gilkey
Lead Pastor, Reach Church (Chris Gilkey)

One of the best books I have read on this topic. Full of love and compassion for all while standing firm on God's word. The truth after all is the most loving thing we have to offer anyone. Read this - even if SSA is not your struggle it will encourage you as you confront your own temptations. Thank you Landon Schott for articulating so well the love and grace our God offers to everyone.

Landon Schott's book Gay Awareness is a great read! While I'm sure the LGBT Community will be upset by it. (No one likes hearing they're wrong) the book is spot on about the Bible's stance on homosexuality and same sex relationships. As someone who identified as transgender from the age of 14 to the age of 27 and then identified as gay from 27 until November 2, 2010 when an encounter with the living God changed everything, this book really hit home! Having been part of the LGBT community and the gay agenda I've had an inside view of how destructive that life really was. Landon's book shows that only the love of Jesus Christ can truly transform lives and that Christians need to speak the truth in love while still holding strong to Biblical principles.

Not only is this a view into the gay lifestyle, but it is so much more. It is a reminder to all of the goodness and grace of God for any lifestyle. A reminder that God is sovereign.

Great book!!

Thank you Landon for being bold enough in the love of Jesus Christ to speak this truth.

I took my time to read Rev. Landon Shoot's book. After reaching its end, I feel I have to read it again. So I will re-read it before I post a full review. What I can share immediately however, is that this book ministers to all of us, not just to people with same-sex attraction. Its scope is much, much broader than the topic of homosexuality because the implications of the scriptures quoted (400 different verses, that's a lot!) extend to all aspects of our Christian lives and force us to have a good look at who we are and what we do to follow Jesus. A second reading will enable me to increase my understanding and let the Holy Spirit work even deeper. I give this book a 5-star on first reading, however: it has fired up a vital spiritual process that really needed to be ignited.

Book WAS very helpful in understanding this community. God loves us all, He just hates sins, that's why He sent His only son Jesus.

This books doesn't just focus on gay awareness but it has a good foundation of teaching on living in right standing with God.
