Superhero For A Day: The Magic Magic Eight Ball

Synopsis

Yesterday, Jared Foreman was a normal sixth grader. Today he's already been kidnapped from school by Channel 5 News and interrogated by a weird scientist with a giant tree hand and it's not even noon. Can Jared use his newfound superpower to save the day before time runs out? Superhero for a Day: The Magic Magic Eight Ball is the latest book from Dustin Brady, author of the popular Trapped in a Video Game series for boys. Like that series, Superhero for a Day is a funny thriller for kids age 9-12 who hate reading but love a good story.

8 year old grandson loved it. He read it in one evening! Ordering the second one now.

robot like book make next book robot want it now robot want superhero for a day robot like robot kill if you don't make new book robot want robot like the book give robotp.s i am not a robot just having fun

Dustin Brady is a genius at getting into the mind of a middle school boy and he has done it again

with this, his second book. It is filled with action, adventure, a bit of innocent boy/girl relationship, and even a subtle lesson as the icing on the cake. Every tween boy and lots of tween girls will find this book hard to put down. I give five stars to this fun-filled, wholesome read.

My 10 year old loved this book. Lots of laugh-out-loud moments, good action, and interesting story. Anyone who loves similar books will love this one.

Dustin Brady is funny! This is his second book I've read, and I look forward to continuing to follow the adventures these characters have started. As a Student Minister, I work with Jr. High Students on a weekly basis, and I can say without a doubt that Dustin has captured their speech, thought processes, and actions almost to a "T"! It's great. As a reader, I just found it fun to get lost in the story for a bit. As I've grown up, obviously so has my "taste" and interest in books. I'm just as comfortable now reading a thick volume on a theological issue. But. This kind of book is what fostered my love for reading, and I'm so glad there's someone out there still writing something like it.

Fun book to read together. Only wish Dustin would write more. We are ready for more. Hope it will be soon

A fun, adventure-filled book that anyone, even the reluctant middle school boys, can find enjoyable! The book's fast pace action and relatable dialogue draws the reader in and keeps him from putting the book down. Without doubt, when he is done, he will already be ready and waiting to find out what happens in the next book of the series!! I'm always looking for more books that boys will enjoy, and I highly recommend Brady's Superhero for a Day.

This book is perfect for kids of all ages who love a good story. I personally will be saving this book for my son to read as soon as he learns. It's full of adventure, great characters, and a great lesson. Can't wait to see more from this author!
