Customer Reviews

This is a great source. It has been glued to my side for the past month while I have been studying for the exam. I also purchased two online tests through the ETS website and they are pretty similar to this book. I feel very prepared for my test.

Thanks

Fantastic! Easy peasy to use and very helpful!! I am preparing to take my PLT for K-6 and for 7-12 and this book is perfect for the K-6. PLUS, it comes with TWO practice tests that are very very very helpful. The book is broken into Review & Practice test sections as follows:Part One - Review:Students as Learners (46p) includes Student Dev. & Learning Process, Diverse Learners, Motivation & Learning Environment, TermsInstructional Process (56p) includes Planning Instruction, Instructional Strategies, Questioning Techniques, Communication Techniques, TermsAssessments (30p) - includes Assessment & Evaluation Strategies, National/State/District Standardized Assessments, TermsProf. Dev, Leadership & Community (30p) - Prof Dev Practices & Resources, Implications of Research/Views/Ideas & Debates, Reflective Practices, Teacher's Role in Community, Teachers as Collaborator, Implications of Legislation & Court Decisions, TermsPart Two - PracticeTest One (18p) - 70 questions & 4 constructed response questionsAnswer Key (14p)Test Two (18p) - 70 questions & 4 constructed response questionsAnswer Key (12p)This study guide is fantastic and very helpful. I'm so glad I had the chance to use it!

This study guide is a review of the Principles of Learning and Teaching Kindergarten through Sixth Grade. It prepares readers to take the Praxis 5622 Exam. This study guide book covers all of the topics that will be on the test.The study guide includes these topics: learners and the instructional

process, assessment, professional development, leadership, and community. It also includes 2 practice tests as well as the answer keys for both. Spend some time in this section of the book because it will help you get an idea of the types of questions that will be on the test, as well as the formatting for the questions. This was a very well written study guide. It includes all of the information you need to pass the test and it is broken up in a way that is easy to understand and remember.

Great study guide and practice questions! The book is broken down by the review section and the practice question section. The review section covers: students as learners, instructional process, assessment, and professional development, leadership, and community. Students as learners covers student development and the learning process, students as diverse learners, student motivation and learning environment, and terms. The instructional process covers planning instruction, instructional strategies, questioning techniques, communication techniques, and terms. Assessment covers assessment and evaluation strategies, national, state, and district standardized assessments, and terms. Professional development, leadership, and community covers professional development practices and resources, implications of research, views, ideas, and debates; reflective practices, the teacher's role in the community, the teacher as collaborator, implications of legislation and court decisions, and terms. There are two complete practice exams that include 70 multiple choice questions and 4 constructed responses each with separate answers. I received this book at a discount to review; however, it does not affect my honest opinion!

This study guide reviews the Principles of Learning and Teaching Kindergarten through Sixth Grade. It prepares readers for the Praxis 5622 Exam. This exam prep covers all the concepts that will be presented on the exam and offers the reader two practice exams with a complete answer key following. The study guide is broken up into two parts. The first part has four sections of review. Sections one and two review students as learners and the instructional process. Sections three and four go over assessment, professional development, leadership, and community. The second part of the study guide includes two practice exams and answer keys. This is a wonderful study guide. The information provided is concise and to the point. The practice tests allow for a pre-test and post-test to see how much information is retained after reading the study guide. The answer keys are designed to assist you in checking your tests and reviewing questions that might be missed.
