Customer Reviews

One can never have enough classic radio shows .. especially when the power goes out! Many evenings this past autumn and winter have been spent with a battery powered cassette/cd player listening to these shows. All ages in our family enjoyed to shows.

With wise-cracking dialog, femme-fatales, gangsters, and double-crosses, these shows match the classic Noir movies. You can just see the rain soaked streets of LA and NY, foggy piers, fedora's, and big fender cars! Like many of the Noir '40's movies much attention is needed to truly follow the stories, but the dialog is so good you really don't even care! A must have for the old-time radio buff.

The set box is different than pictured but just what I wanted. The case is a little old looking but in great shape, it opens like a book and inside are all the tapes.

Ordered these tapes for my wife, she listens to them nightly to fall asleep instead of TV. The quality of this product when it arrived was amazing! The package had said "like new condition" no way this was even better. Good Job!

I am enjoying these tapes. Marvelous condition. So glad I purchased this set. Great seller.

Just what I want

Had a copy my Grandpa gave me but it got over used, these are perfect and it's amazing to hear again.

I agree with everything the previous reviewer wrote. Aside from being annoyed by Boston Blackie, and one detective getting knocked out every episode (Jeff Regan or Pat Novak), I really enjoyed these stories. My favorite was Tales of the Texas Rangers with Joel McRae. I highly recommend this collection. This was my first time hearing any of these shows. Dragnet is often hysterical!! Like a good book, I'm sorry I'm on my last tape. This is great stuff!!
