Customer Reviews

I received this for free and offered to give a review. This was a This was a good clean book with people who had problems but didn't give up. Maya has just went through a divorce after being married only eight months but wants to move on with her life. Jackson is running his fathers ranch and trying to live after his wife has died. He also has a 4 year old daughter. His father has come up with a plan to get him married with in 90 days. Through their problems the two meet and become friends. It is a good book bringing put their feelings and them working them out. This is a new author to me and I will read her next book. I like a good clean book.

Well written enjoyable romance. She recently divorced from a sleeze-ball. And he a widow whose wife died 4 yrs previously during childbirth..His parents give him the ultimatum that he must marry within 60 days or they would sell the ranch.She does not want to marry for that reason. Other girls in town keep calling him because they want to marry him - afterall the ranch is huge & they are wealthy. His father is dying, his mother worn out. Her aunt is just getting a bed & breakfast started.This is a romance and even though you figure how the book will end, there are so many other things going on that the author keeps you reading.

Highly recommend. I liked that there was not a lot of drama.. IT was a sweet story. She wrote so well it made you feel like you wanted to know these people in real life.

This was a sweet story about love and loss. The main characters were broken but not too much so. They both had been through a hard time and I loved how they found each other without even trying to. It was a quick and emotional journey. I loved the ending!

I'm only giving it a 3star because I'm not a big Jesus fan. There wasn't too much that it made the book annoying but it's just not my cup of tea. It had a great story it just needed to be edited much better than it had... Simple spelling errors, mixing up your and you're, and making a 4yo say some things that definitely wouldn't come from a 4yo. Just needs some fine tuning... But not too bad overall.

Sweet, second chance romance. Set in beautiful Peach Valley, Wyoming, there are handsome

cowboys, horses, sweet aunt Patty, and darling Ava. After heartbreak and betrayal, Maya and Jackson have an instant connection. A little drama livens things up in this western romance. This is a short story with a happy ending.

Loved this sweet romance about Jackson and Maya who both think they are not ready for a relationship but find they can not resist one another. Jackson whose wife during childbirth and Maya who caught her husband cheating. The cute little Ava who is Jackson four year old daughter was the hit of the book for me. Read the full story, you will not be disappointed.

I Loved this book.. I had tears of happiness as I finished reading it.. Can't wait to read another of Carly Morgan's books.
