The Devil's Game (The Daniel Byrne Trilogy Book 2)

Synopsis

The universe is trying to tell us something. Daniel Byrne spent ten years as a Vatican investigator, scrutinizing and debunking miracle claims—until he burned that life to the ground when one investigation shook his faith and revealed disturbing earthly conspiracies. Determined to find the truth, he steps into a new life of secrets and lies, joining a powerful group that wields hidden influence over world events. Daniel infiltrates a covert government facility and uncovers a bizarre new strain of the Plague that seems to flood the minds of its victims with visions of the future. Teaming up with disgraced physician Kara Singh, a woman beset with inexplicable visions of her own, Daniel traces the root of this deadly pathogen around the globe, and discovers a terrifying truth. In this fast-paced sequel to the bestselling *The Trinity Game*, can Daniel navigate a shadow world of secrets and conspiracy to stop a pandemic with devastating global consequences?

Customer Reviews

Ok, this is what a thriller should be like. Character development, intrigue, violence, and just a touch

of James Bondish romance.

Daniel Byrne is off on another chase, and this time the risk is worldwide. A great sequel that I hope points the way to a third novel.

What a ride!! Start it when you have nothing to do for at least a couple of days.. Because once you start reading between the intrigue - mystery - the unbelievable story - it is a ride!!! Read all of his books!!

Easy to read and a great sequel with new story lines. Can't wait for the third installment in the series.

I enjoyed both the first and second books in this trilogy. It's not only a good read, but makes you think about other possibilities.

This is the second book in the series and is better than the first book. Disappointed 3rd book has not been published yet.

Loved the book, first one was good as well. I am reading the third one now. Love this author

Fun ride and an unexpected ending. Looking forward to the last book. I am sure it will be a great finish.
