Bluebonnet Belle

Synopsis

April Truitt didn't trust doctors, battle of wills was raging in the Lone Star State in 1876. Least of all handsome newcomer Gray Fuller, who opposed her efforts to offer the women of Dignity, Texas, an herbal alternative to surgery. He treated her like some quack, but April was determined to save other women from dying on the operating table, like her mother did. Gray couldn't help admiring April's spirit and good intentions. Yet he couldn't let this bluebonnet belle steal all his patients; even if she was on her way to stealing his heart.

Customer Reviews

This is not the first book I've read by Lori Copeland. I really like her style of writing. The story was humorous as well as serious. I liked all the people right away. The story was an interesting one because it focused on women's health complaints. I don't think I've ever read a book in this time period that talked so openly about it.

Bluebonnet Belle is a gem among my Christian romance Kindle titles. I don't remember skimming any chapters like I've been doing lately with other titles--I wanted all the details! The laugh out loud humor, the gentle themes of friendship and trusting God's direction, the vibrant and fun main characters, the cheers and tears for characters' choices along the way...just typing this makes me want to read it again (and I just finished reading it this morning). Don't miss it if even for the funeral home parlor scene...I'm smiling :)I was so pleased to find a completely good, clean and fun novel. I can't think of anything unacceptable in the book. If considering this for a teenager to read, you might want to read first to see if the handling of abortion is suitable.Enjoy!

I have read several of Copeland's books and enjoyed the complex characters and stimulating plot, so I felt this book would offer the same. Wrong! This book is just boring. Flat characters and plot. Do NOT waste your hard- earned money on this one.

Love this book!

It was a good read

VERY GOOD. LOVE TO READ LORI COPELAND BOOKS.

The book is a good story. I was a little disappointed by my particular copy when it arrived. It was a smaller than normal sized paper back. I was expecting the full sized trade paper back.

Nice little paperback with a bent cover.....would buy again, tho'
