Cage Of Destiny: Reign Of Secrets, Book 3

Synopsis

Destined from birth to be the next empress of Emperion, Allyssa grew up at court weighed down by the expectations of the crown. Kingdom and duty always came first. Until now. Having survived the brutal kingdom of Russek, she is given the choice to walk away and live a peaceful, quiet life. But it also means giving up everything she knows and everyone she loves. Before she decides, word reaches her about an assassination attempt. Donning her secret persona "that of a vigilante" she sets out to eliminate her enemy once and for all. As Allyssa fights the demons of her past to save her future, she realizes she never had a choice. She can either embrace her destiny or be caged by it.

Customer Reviews

The Cage of Destiny series is one of my favorites and am so glad that I happened upon it. There have been only a few book series that I had to buy the next book as soon as I finished reading the one before it - although the author clearly warns you in the prologue about that...All 3 books in this series are well written, exciting, thought provoking and thoroughly enjoyable.

I could not put this book down! The twists and turns never disappoint. Alyssa grows up very much during this book. She learns a lot about herself and what exactly she's looking for in a life partner. Hopefully there are more books coming out that entails furthering this family's story.

Amazing book and great end to a trilogy! I loved these characters, their adventures, and their humor. The author does a great job of expressing their different emotion, making them both vulnerable and strong. Can't wait for the next trilogy!

Read the warning at the start of the book. Well told story although, I think this book as a ending is a bit abrupt. I like where it all went. I hope the author writes more stories like this one in future. I would enjoy them.

Excellent story and really like character of Allyssa. Not perfect, sometimes a little contrived (?). And Kerdan being the most intriguing character. Worthwhile read and highly entertaining series. Happy Reading!!!!Tim

I loved both of these series. Im' so glad she picked the right prince. I can't wait for the next one. Hopefully the story will be about her twin brother

I highly enjoyed this trilogy and recommend it to other fantasy fans. Strong characters and plot line and some twists thrown in here and there.

My favorite of the series!! The whole series was amazing, and this book was a perfect addition! Jennifer Anne Davis is an amazing author, every single one of her books will suck you right in. I almost didn't want to start this book because I knew it would end, I can't wait for her next one.
