He does this with honesty, courage, and wisdom." — Allan Lokos, founder and Guiding Teacher, Community Meditation Center in NYC; Author of *Pocket Peace*, *Patience*, and *Through the Flames*"Michael DeMaria is the best kind of teacher. His wisdom (and it is profound) comes directly from what he has suffered and learned himself, and his teaching is at once far-reaching, direct, and compassionate. With exercises that build on one another to inform every aspect of an individual's life, this book is an important guide to personal transformation." — Trebbe Johnson, author of *The World Is a Waiting Lover* — "In our chaotic and frightening world, finding peace and joy in our everyday lives seems increasingly out of reach. Yet, Dr. Michael DeMaria, through his incredible journey of spirit and life, has gifted us with this wonderful manual for finding the keys to *Peace Within*. The Māori koru is a perfect symbol for this work, representing the dynamic spiral of life unfurling, ever changing, yet maintaining the core of peace at its center. In his new book, Dr. DeMaria has shared deeply of his own personal journey, while delivering a practical set of modules for bringing us back to what is real: — our own individual journeys to the spiral's center." — Martha Sarasua, M.D., Ph.D., Psychiatrist, Consciousness Researcher & Author *Healer's Journey*"Dr. Michael DeMaria has assembled a unique and powerful workbook to help us find peace and healing. He skillfully integrates practices he has developed over decades as a superior therapist, meditation teacher, yoga instructor, wilderness guide, and musician. With this wonderful manual one discovers ways to improve the health, effectiveness, and pleasure of body, mind, heart, self, soul, and relationships with others and the world." — William Mikulas, Ph.D.; Professor Emeritus; author of *The Way Beyond* and *Taming the Drunken Monkey* —

Peace Within — is the distillation of my 33 years of work as an integrative psychologist helping others on their life journeys. — In writing it, I asked myself what do I tell people over and over again, what are the main themes that are central to finding inner peace in life, relationships and even death. — This book is part confession and part workbook as I give you the tools and practices that helped me go from one of the darkest times in my own life to slowly recovering my soul, healing my heart and finding my way back towards a healthy, happier and more integrated inner peace that was not dependent on external circumstances. I have poured my heart and soul into it, and there have been blood, sweat and tears during the living and writing of it. I'm thrilled to see it finally finding its way out into the world and hope you will find it of value.

Ã Â Wishing you many blessings on your own journey of healing, health and wholeness!Ã Â

Michael's calm voice is captured in his writing. There is a sensation of relaxation and peace from reading his words alone. Couple that with the calming exercises and meditations and you truly are on a path of finding Peace Within. It's a great tool to use on one's self and, since I am a life coach, with clients. He reveals his struggles and what he learned to deal with them, which is applicable for all of us. I highly recommend Michael's book!
