One Thousand Gifts Devotional: Reflections On Finding Everyday Graces

Synopsis

Following the New York Times Bestseller, *One Thousand Gifts* -- a guide to giving thanks and finding joy in all aspects of life -- Ann Voskamp returns with this companion *One Thousand Gifts Devotional*. How in the world do we find real joy and experience grace in the midst of deadlines, debt, drama, and all these daily duties? These sixty reflections, each one like a singular tree, invite you to take wing into a forest of graces. Glimpses of grace that will lead you into your own lifestyle of Christ-focus and communion. Into how your desperate need of Him every moment is wildly met with His extravagant love for you. As practical as profound, this devotional offers a real life transformation with intentional space to begin the radical habit of thanking God for your own one thousand gifts. The endless grace of our overflowing God, it's meant to be experienced directly. The most important thing is simply to begin. Pick up a pen and this book -- and change your life. Take the dare to fully live! God's just waiting to bless you with the greatest gift of all -- more and more of Himself....

Ann Voskamp is the wife of one fine, down-to-earth farmer; a book-reading mama to a posse of seven; and the author of the New York Times bestsellers *One Thousand Gifts*, which has sold more than one million copies and has been translated into more than twenty-one languages, and *The Broken Way*. Named by Christianity Today as one of fifty women most shaping culture and the church today, Ann knows unspoken brokenness and big country skies and an intimacy with God that touches wounded places. If you like Ann Voskamp's book, *One Thousand Gifts*, then you will like this devotional. If you don't like her style of writing, then you probably won't like this devotional. I really enjoy her writing & resonate with her style. I read her book a couple years ago, and then I purchased this devotional now for myself & for a friend. You can totally read this devotional without having read her book, but you get a better reference if you've already read *One Thousand Gifts*. It only takes 5-10 minutes to read each day, then there is a small entry area for notes or to start a list of thanks.

This devotional is meant to be read with a pondering pace...taking time to pause and underline and write notes in the margins...It was given to me during a crossroads, cliff-hanger time of my life and I am so thankful for it. I have shared thoughts and paragraphs with friends during their times of uncertainty and stress. I highly recommend this devotional and the book as well.

This devotional book quite simply changed my life. Now I have given it to my cousin as she explores her faith more deeply. I am sure it will be as meaningful to her as it was to me--after three years, I still practice writing down three gifts each morning, and my perspective will never be the same.

This is the most excellent devotional I have ever engaged with. Understand that it is written by a lady who writes a form of "prose-poetry" from her heart!. She has great insight in how to walk with God and know His joy through her own very traumatic and difficult times...and how to walk with Him through the ups and downs of everyday life. If you want to know how to live a joyful life very close to God, read and re-read this devotional every day. She has inspiring wisdom that will eventually touch upon your life...whether you have been, or are going through very difficult life challenges, or dealing with the daily grind. This book is not just for women! As an "older American" ex-military man I have discovered a book I read every day and will continue to do so.

Ann Voskamp's unique style of writing may not be for the average reader. If you want to THINK, PONDER and PARTICIPATE in seeking a life with Jesus that focuses on God's grace and love, and you already HAVE made that choice-- go for it!

I'm reading one chapter per day. Makes me look at things a little differently. I need this in my life.

Ann Has a unique voice and style of writing. Her insight into finding God in the day to day life, where we are, is fabulous. We can find Joy in our lives when we realize and are grateful for each and every gift we have been given, even in horrible circumstances.

This book has become a life changer to me in that it has shown me how to truly open my eyes to the blessings that God has given me all around me each and every day in the little things and the big things, the good times and the difficult times, in my friends and in those I find difficult at times, and in all things.... to find God in such a personal way that I never would've found before! Thank you for the blessing! #54... In the beginning.... And every day.... I'm only sorry to have completed the book and plan to reread it starting tomorrow until eucharist and giving thanks becomes second nature to me. A Grateful and Changed Heart
