as expected.

Book arrived very quickly. I was pleased to find that the information in the book is very accurate and well presented.

Good and very informational book, leans a bit liberal though.

This was required reading in one of my criminal justice courses, excellent source of information for anyone interested in police work.

Fast shipping, good quality

Great book even though it gets to be a little repetitive towards the end. I LOVED IT regardless.

Good condition!

Just as advertised.
