Customer Reviews

The information on this book covers the most common types of travel and reflects the Cuba travelling do's and don'ts and understanding of the rules currently in place. While relations between Cuba & the United States are improving, it's still technically illegal to travel there. Here's how you can travel to Cuba as an American anyway. Make the most out of your travel experience!

Between rolling hills and dazzling shores, fine cigars and old cars, Cuba delight visitors with its

abundant tropical pleasures and cultural treasures. White-sand beaches entice sun worshipers by day, and clubs pulsing with Afro-Cuban Jazz own the night. This book will show you all the initial information you need to know about the beautiful Cuba. Recommended!!!

I found this guide to be extremely informative. Great value for any prospective traveler seeking to discover the "undiscovered" beauty of Cuba. Can't wait to put the knowledge I gleaned from this guide into practical use very soon!

With sparse information and typos, this book reads like a kid's term paper. It is not enough information for the price.

This book has the attraction types and budget levels so that everyone can find something to enjoy. You can get to learn from this book about the best things to do in Havana, Western, Central, and Eastern Cuba. The most delicious foods you have to eat in Cuba. Also practical information and tips to avoid tourist traps and the best fun activities you cannot miss. The best places to have fun. Outdoor adventures you won't forget and so much, much more. So get this book now and enjoy your travel to one of the best places on earth!
