Customer Reviews

This book does a good job in educating us about the topic of credit repair and also how to fix one's

own credit even if it is at a low score or a low one. The advice and strategies discussed throughout this book are effective in helping someone in the right direction to fix their credit. The author seems knowledgeable about the subject and writes in a concise manner that is easy to follow; The steps really guides the reader. Very well done!

Only now, after reading this book, I completely understand of what a credit score is, why it's important that I raise it, and how I can raise it. Until now I didn't know how to fix my credit card, but this book for me is a big help. I've learned many new things that will help me to repair and raise my credit score. A very useful book!

Fixing your credit score is no easy task but this book laid out 10 proven steps on how to do it. All the strategies and methods you need to know to improve your credit score could be found here. The steps were very easy to follow and they were very straight to the point. This is a must-read.

Very beneficial and straight to the point on how to repair your credit. I'd recommend this as a good starting point for restoring your credit. Good tips for getting started, especially if you are not sure where to begin. I recommend this for anyone who is unsure or new to their credit

This is a fine book on how to understand and repair your credit rating. Its a succinct and too the point book, which is ideal for anyone who wants to get up to speed with credit repair and work out a strategy which is effective!

When i got my credit card i have thought that this will help me but it didn't work like i think. Made me more spend more. This book me solutions to fix and improve my credit scores. I will try this tips on how will i spend by using my credit cards and be smart on spending things that i don't need. Informative book.

I am not new about Credit Score but I wanted to know more important facts and information about it. This is also teach us everything we need to know to raise our credit score.

It's extremely basic, I do not recommend. Not worth reading. Only useful for a child that has never had a credit card.
