SORTING IT OUT

DISCERNING GOD'S CALL
TO MINISTRY

ALICE R. CULLINAN

Synopsis

Sorting It Out walks Christians of all ages through the questions and uncertainties that come with a person&#146s call to vocational ministry. Alice R. Cullinan analyzes what a call is, provides many examples of how others have received the call, considers the different kinds of ministry opportunities, and offers advice on how to proceed once one discerns a calling from God.Ideal for students of Christian schools and seminaries, Sorting It Out is also appropriate for admissions counselors, youth pastors, and others who might be involved with advising persons who seek God&#146s call for their lives.

Customer Reviews

This book gives you a total outlook and make you think about your calling. It is very detailed and gives great explanations on questions that you might have about your calling into the ministry. I suggest it as a must read if you are thinking about going into ministry. My Pastor gave me the suggestion to read this book and it was well worth it.

Very easy reading

This book is a great starting point for me as I continue to develop in ministry. I recommend every person answering the call to ministry to read this book.

This book is a must read, for those who believe they've been called, to properly asses their next move.

This book has assisted me with literally sorting out the call that God has placed on my life.

Great book for men and women of GOD called into ministry of the WORD. Actually every Christian should read this book. You'll see for yourself exactly what I mean.

One of the very best, easy to understand, guides to helping the novice to full clergy discern their specific area of ministry. Equally good for the lay person trying to step out into more defined ministry areas. I have been a teacher for laity entering formal ministry for 10 years +, and have read at least a dozen books on discerning call - I rate this one the best.

A must read for anyone desiring to serve the Lord!
