Customer Reviews

This book explained what chakras and auras are but it also gives a clear understanding of how they work, where they are in the body and how to balance them. You can learn pretty well how to handle stressful situations and how to release the negative energy that affects your body. It will guide you through meditation where the Chakra can activate its highest, most radiant energies so that you can unlock the pathway to your potential.

This book will help you discover and understand Chakras in its deeper meaning. If you are suffering from anxiety, mental imbalance and other emotional problems this book will help you to heal it all. You will also learn on how to increased awareness and openness to Psychic and Spiritual Information and also to have a Faster and greater ability to heal your Physical, Emotional, Mental and Spiritual Issues.

Excellent book on Chakras for beginners. It goes in depth into the 7 main Charkras and ways to awaken them leading to a more balanced, energized and sustained lifestyle. I highly recommend this book to anyone who is looking to get a better understanding of Chakras and achieving inner peace. The book is short and informative; just the way I like it!

This book teaches us about chakra and how can it be used in our lives. Get ready to explore the inner world of chakras and discover the different type of energies in our body. Chakra is usually used in healing and this book helps us understand how to balance our chakras for healing. There is really a significance of chakra in our lives and we can make the most out of it if we will understand it. This book certainly caught my attention because it talks about something I have little knowledge about. This makes this book very appealing--I really want to learn more about Chakras.

Excellent information, easy to read and understand,book still has many helpful insights and practices that will deepen and expand your practices and understanding of the chakras,Well written and thorough, this book gives a good introduction to the chakras.. loved it!

I found it enlightening since I don't have any knowledge about chakras. I now have a better understanding of the chakras and I am looking forward to growing spiritually through mediation, prayer and other exercises outlined in this book. They way it is written makes it so simple to follow and understand each of the chakra systems and it also includes some small beautiful meditations that I enjoy as well.

I love this book I was wondering how exactly can knowledge about chakras help for getting more energy and happiness out of my life. This book explains it all. I was struggling with emotions for a longer time period and this book gave me some ideas why it was happening and how to deal with it. I can't wait do start working on it.

I am, indeed, a beginner trying to learn . . .
