Customer Reviews

This is not what I expected the book to be. I thought it was a travel book about Edmonton. Instead, it was a book about words and phrases that you might use when in Edmonton. I thought I might find articles on the West Edmonton Mall, the Edmonton Zoo, and all the other tourist destinations in Edmonton. But it really wasn't what I was looking for. I guess if you're planning to move to Edmonton, this book might be good for you. But if you're planning a vacation in Edmonton, this book is really useless. I wouldn't recommend it to anyone.
