Product Dimensions: 3.7 x 0.5 x 5.5 inches

Shipping Weight: 5 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars 10 customer reviews

Best Sellers Rank: #102,384 in Books (See Top 100 in Books) #4 in [Books > Travel > Europe > Serbia & Slovenia](#) #9 in [Books > Travel > Europe > Bosnia, Croatia & Herzegovina](#) #64 in [Books > Travel > Reference > Phrasebooks](#)

## Customer Reviews

I found the book to be very helpful during my trip to Croatia.

The book contained usable Croatian which served me well during my four weeks in country. I studied this sucker every chance I had while on buses, trams, and trains because it was small and packable. I did, however, find that the Croatians themselves said a majority of the verbiage in the book is not actually the verbiage they use. They said it was laughable, especially the page number 123 phrase list on sex. I would use this again, but I would be aware that not everything this book utilizes is modern Croatian language. To be honest the Croatian girls took a liking to the book because it made me seem more foreign and cute for attempting to speak their language.

Went on a trip to Croatia and brought along this book. The phrases are arranged together in a way that you could use them to make a conversation. The only issue I found was that the pronunciation

did not match what the local people would expect or use. I showed the book to a person that knew both English and Croatian and they said the way the book has the pronunciation is not correct. They said to just say it like the actual word looks like. That was much closer to the way they say the words. Once I started using the Croatian word to sound out it was better. Very good book though and organized well. Easy to find a list of words that can be used for a situation.

This is a small sized book. However, it's the perfect size to fit in your back pocket or small purse. It does not take up a lot of room. It is thin, but it has plenty of information. I like that the different sections of the book are separated by color. Very organized and has lots of detail. The back of the book has a complete dictionary. This arrived on time and was packaged very well!!!

Very compact and easy to use. I struggle a bit with some inconsistencies in it. (How to pronounce words in the useful phrases on the back of the front cover don't necessarily align with how to pronounce the same words in the dictionary section.) But that is a minor gripe. It is easy to use, and a size that will fit easily in a pocket or purse. It is definitely coming along on my trip to Croatia in a few months.

Good study guide. Simple and clear. The book is very small. It looks a lot bigger in the pictures.

Good book for beginners and travelers and helps me a lot. Keeps my mind busy.

Hi, I am living in Montenegro. Different language in important areas: Week Days and Month different names, many basic talk words totally different. Do you have Montenegrin also? Regards, Hans Baumhardt.
